

August 2018: An invitation to complete
a fun survey from Elizabeth Shih

*Specializing in Entrepreneurial and Organizational Storytelling.
Let me tell your story!*

Welcome, Late Summer 2018! A Survey Seeking Feedback for *Elizabeth Shih Communications* . . .

Dear Friends and Readers,

As I said last week, after gaining seven years of experience in business writing and editing, I am planning to launch a new company that provides a variety of communications and marketing services for Saskatoon and area.

Below is the hyperlink for a survey that will help me to develop services optimized for this area. No sales are involved and the survey should take only about 10 minutes to complete.

If you have worked or will work with freelance communicators in/near Saskatoon and have not yet responded to this survey on another forum, could you please read and respond to it here?

Here's the link:

<https://www.surveymonkey.com/r/ElizabethShih>

If you leave your contact information at the end of the survey, you could win a \$20 Tim Horton's gift card!

And please forward to others in your network who also work with external communications specialists.

Many thanks and sincerely,

Elizabeth Shih Elizabeth Shih Communications
